Listen to the song and fill in the correct words

I don't drink I take my dear
I like my done on one side
And you can it in my accent when I
I'm an Englishman in New York

See me walking down Fifth Avenue
A walking **cane/plane** here at my side
I take it everywhere I
I'm an Englishman in New York

I'm an alien, I'm a legal alien
I'm an Englishman in New York
I'm an alien, I'm a legal alien
I'm an Englishman in New York

If "manners make the man" as someone said
Then he's the hero of the **way/day**
It takes a **sun/man** to suffer ignorance and
Be yourself no matter what they **say/saw**

I'm an alien, I'm a legal alien
I'm an Englishman in New York
I'm an alien, I'm a legal alien
I'm an Englishman in New York

Modesty, propriety can lead to notoriety
You could end up as the only one
Gentleness, sobriety are rare in this society
At night a candle's brighter than the sun

Takes more than combat gear to make a **man/nun**
Takes more than license for a **gun/man**
Confront your enemies, avoid them when you **gun/can**
A gentleman will walk but never **run/ran**

If "manners make the man" as someone said
Then he's the hero of the day
It takes a man to suffer ignorance and smile
Be yourself no matter what they say

I'm an alien, I'm a legal alien
I'm an Englishman in New York
I'm an alien, I'm a legal alien
I'm an Englishman in New York
