Composition

Proofreading

Read the sentences and write if the sentences are true or false. (10 pts)

1. Proofreading is the process of checking and correcting errors in a written document.
2. Spelling mistakes and grammatical errors are the only aspects to consider when proofreading.
3. Proofreading should be done before editing a document.
4. Reading the document aloud can help in identifying errors during proofreading.
5. Proofreading involves checking for consistency in formatting and style.
6. Proofreading is not necessary for professional and academic writing.
7. When proofreading, it is important to pay attention to punctuation and capitalization.
8. Proofreading only involves checking for errors in the text itself, not in images or charts.
9. Proofreading should be done quickly, without spending too much time on each sentence.
10. Proofreading is the final step in the writing process.

Audience and Level of Formality (5pts)

Choose the correct answer.

1. When determining the level of formality in writing, it is important to consider:
 - a) The intended audience and purpose of the writing.
 - b) The length of the document.
 - c) The font and formatting used.
2. Which of the following would typically require a more formal tone?
 - a) A business email to a colleague.
 - b) A social media post.
 - c) A thank-you note to a friend.
3. When writing for a professional audience, it is generally best to:
 - a) Use technical jargon and industry-specific terms.
 - b) Use informal language and slang.
 - c) Use clear and concise language that is accessible to the reader.
4. Choose the sentence that demonstrates a formal level of language:
 - a) "Hey, what's up? Wanna grab lunch?"
 - b) "Hello, how are you? Would you like to have lunch together?"
 - c) "Yo, what's good? Let's get some food."
5. Which of the following would likely require a more informal tone?
 - a) A research paper for a university course.
 - b) A job application cover letter.
 - c) A text message to a close friend.

Reading

Emotive language

Read the sentences and write if the sentences are true or false. (5 pts)

1. Emotive language refers to the use of words and phrases that evoke strong emotions in the reader or listener.
2. Emotive language is commonly used in persuasive writing and speeches.
3. The primary purpose of emotive language is to convey objective information.
4. Emotive language can be effective in influencing the attitudes and opinions of others.
5. Emotive language is always subjective and lacks rational reasoning.

Sensory language.

Read the sentences and write if the sentences are true or false. (5 pts)

1. Sensory language appeals to our senses and creates vivid mental imagery.
2. Sensory language is limited to descriptive writing and cannot be used in other genres.
3. The purpose of sensory language is to enhance emotional connection and reader engagement.
4. Sensory language can only describe positive or pleasant experiences.
5. Sensory language can transcend cultural and language barriers.

“I can do all things through Christ who strengthens me.”

Philippians 4:13
