

# Conjunctions: And

Conjunctions are words that hold other words together. They are like glue.

The word *and* is a conjunction. It is used to show two or more things together.

Mike

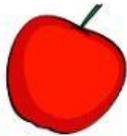

Paul

**Mike and Paul**

This phrase means both Mike and Paul.

There are pairs of words below. Write them as a phrase gluing them together with *and*.

1. apple

orange

---

2. cup

glass

---

3. chair

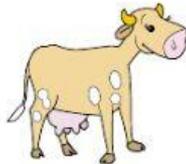

bed

---

4. pig

cow

---

5. cake

pie

---
