

The Nights - Avicii

Fill in the gaps

Once upon a younger _____
When all our shadows disappeared
The _____ inside came out to play
Went face to face with all our _____
Learned our lessons through the tears
Made _____ we knew would never fade

Match the two halves

One day, my father, he told me
He took me in his arms,
When you get older, you will
Think of me if

a- I heard him say
b- heart will live for younger days
c- ever you're afraid
d- Son, don't let it slip away

Correct the mistakes

He said: One day, you'd leave this world behind
So have a life you will remember
My father taught me when I was just a child
These are the nights that never lie
My father told me

Complete with words from the box

fire - stars - matter - venture - pouring - forsake

When thunder clouds start _____ down
Light a _____ they can't put out
Carve your name into those shining _____
He said: Go _____ far beyond the shores
Don't _____ this life of yours
I'll guide you home no _____ where you are

Chorus repeated
