## The life of a news photographer

David is a news photographer. "I don't take photos of celebrities or weddings," he explains. "I take photos of important events in the news."

Newspapers and news websites use David's photos for their stories. "If I hear about a big storm, or an accident, I get in my car quickly. I need to get close to the action!"

David describes his favourite photo: "I was driving home when I saw a young girl in a tall tree. Her cat was in the tree, and she was trying to rescue it. The cat jumped down safely, but the girl couldn't get down. She was stuck in the tree and crying for help. A brave man climbed up and rescued her. While he was carrying the girl down from the tree, I took a photo."

Soon the photo was everywhere – on TV, in the newspapers, and online. David says: “For a few days. I was famous!”
