

Bruno Mars - Count on me

Match the first half of each 1st conditional phrase in black with the second half

¹If you ever find yourself stuck in the middle of the sea...

²If you ever find yourself lost in the dark and you can't see...

We'll find out what we're made of when we are called to help our friends in need

Chorus

You can count on me

like one, two, three, I'll be there

³And I know when I need it...

like four, three, two and you'll be there

'Cause that's what friends are supposed to do, oh, yeah

⁴If you're tossing and you're turning and you just can't fall asleep...

⁵And if you ever forget how much you really mean to me...

⁶We'll find out what we're made of...

Chorus

⁷You'll always have my shoulder...

I'll never let go, never say goodbye

Chorus

You can count on me 'cause I can count on you

...every day I will remind you

...when we are called to help our friends in need

...I'll be the light to guide you

...I'll sail the world to find you

...when you cry

...I can count on you

...I'll sing a song beside you
