

## Bruno Mars - Count on me

Match the first half of each 1<sup>st</sup> conditional phrase in black with the second half

**1**If you ever find yourself stuck in the middle of the sea...

...every day I will remind you

**2**If you ever find yourself lost in the dark and you can't see...

...when we are called to help our friends in need

We'll find out what we're made of when we are called to help our friends in need

### Chorus

You can count on me

like one, two, three, I'll be there

**3**And I know when I need it...

...I'll be the light to guide you

like four, three, two and you'll be there

...I'll sail the world to find you

'Cause that's what friends are supposed to do, oh, yeah

...when you cry

**4**If you're tossing and you're turning and you just can't fall asleep...

...I can count on you

**5**And if you ever forget how much you really mean to me...

...I'll sing a song beside you

**6**We'll find out what we're made of...

### Chorus

**7**You'll always have my shoulder...

I'll never let go, never say goodbye

### Chorus

You can count on me 'cause I can count on you
