Let's dance in style, let's dance for a while

Heaven can ....., we're only watching the skies

Hoping for the best but expecting the worst

Are you gonna drop the .....or not?

Let us die young or let us ..... forever

We don't have the power but we never say never

Sitting in a sandpit, ...is a short trip

The music's for the ..... men

Can you imagine when this race is won

Turn our golden faces into the .....

Praising our leaders, we're getting in tune

The.....'s played by the, the mad man

Forever young

I ..... to be forever young

Do you really want to .....forever?

Forever, and ever

Some are like ....., some are like the heat

Some are a melody and some are the beat

Sooner or ....., they all will be gone

Why don't they stay young?

It's so ..... to get old without a cause

I don't want to perish like a fading horse

Youth's like ..... in the sun

And diamonds are forever

So many adventures couldn't happen .....

So many songs we forgot to play

So many ..... swinging out of the blue

We'll let 'em come true
