◯. **Read the text first.**   "I like a lot of hobbies!"

Momo, Timo, Maya and Diana are best friends. They like a lot of hobbies. Timo is a boy.

He likes playing basketball. Timo likes dancing, too. Momo is another boy. He likes playing tennis.

Diana likes it, too, but she also loves to play the flute. Maya never plays tennis.

Maya rather plays the drums.   It is her favourite hobby. Timo always reads a book on Saturday.

He loves to read. Timo asks Momo: <<Can you swim?>> Momo says: „No, I can't. I can not swim.

What about you, Maya? >>   The girl answers: <<Yes, I can. I can swim. I am a very good swimmer.>>

Timo, on the other hand, can not swim. On Tuesday Diana plays football. She is in a football team.

She is a very good football player.

On Sunday Diana always is happy, because she can ride a horse with her friend Dilara.

Maya can't ride a horse. That's why she is sad on Sundays.

She can't ride a horse together with Diana and Dilara on Sundays.
