

Something had woken me. I could hear a dog [] in the distance and the continuous [] of the traffic on the motorway. I heard it again. It was the sound of someone [] softly outside the window, trying to catch my attention. There was a sudden [] as a ladder hit the wall. I heard the [] of footsteps on the rungs as someone came up. "Pst... Melanie are you awake?" the voice [], urgently. "I am now", I [], grumpily. I knew exactly who it was. Suddenly there was a loud [] and a [] of pain as my big brother hit the bushes below.

whistling creaking barking howl
crash hum bang grunted hissed
