

## Re-writing Practice B2

They were fed up because the weather was so bad.

If

She hardly ever had the house to herself.

Selfom

"I can't lift the sofa on my own," said Uncle Frank.

Uncle Frank said that

I'm sure Sven didn't break the window on purpose.

Sven can't

I was disappointed that I didn't meet the star of the show.

I wish

We didn't get an apology until the weekend.

Not until

"Don't forget to call me tomorrow, Lisa," he said.

He reminded

Jake wasn't old enough to go to the concert on his own.

If Jake

We are looking into your request.

Your request

It's impossible that Anna was ill yesterday; I saw her at the theatre.

Anna

She has written five books and she works full-time at the hospital!

Not only

They really ought to clean their house.

It's high time

They were repairing the car so Molly took the bus.

The car

"Don't bring your food into the library again," said the librarian to Paul.

The librarian told

The boys ate all the food because they were very hungry.

If

Soon after he finished his speech, the lights went out.

No sooner

Immediately after I started reading my book, the phone rang.
