Read this email from Laura and answer all the questions

Dear Hannah,

I am very happy because I have a new baby sister. Her name is Pamela and she is two days old. Pamela has black hair and her eyes are blue. My eyes and hair are brown. Her toes and fingers are really small. She cries sometimes because she is hungry. She sleeps in my mum and dad's bedroom.

My grandparents are staying with us for two weeks to help mum. My grandfather watches TV in the morning and then works in the garden after lunch. My grandmother makes wonderful lemon cakes, but I love her chocolate cake best.

See you soon,
