

Adjectives Can Change Articles

Name: _____

When a noun begins with a vowel, the correct article to use with it is **an**.
When a noun begins with a consonant, the correct article to use with it is **a**.
However, adding an adjective in front of the noun can change the article.
If the adjective begins with a vowel, the article should be **an**. If the adjective begins with a consonant, the article should be **a**. Let's look at an example:
An elephant becomes **A large elephant**, because the article is based on the adjective, which begins with a consonant.

Read each adjective and noun pair below. Write "a" or "an" on the line.
