

## MY FAMILY

Listen the words, then cut the pictures and paste in the correct place.

Escucha las palabras, después corta y pega las imágenes en el lugar correcto.

A family tree diagram showing a family structure. At the top, a large white rectangle represents the family unit. Below it, a horizontal line connects two smaller white rectangles, representing the parents. The left parent is labeled "Daddy" and the right parent is labeled "Mommy". Below the parents, a horizontal line connects two smaller white rectangles, representing the children. The left child is labeled "Brother" and the right child is labeled "Sister". Below the children, a horizontal line connects two smaller white rectangles, representing the baby. The baby is labeled "Baby".

Teacher's name: Francisca Reyes Vivaldo
