What a journey!

On my last holiday, all I wanted to do was to chill [1]_____ and relax after a hard year at university. I went to the travel [2]_____ and told her that I wanted good food, lots of fun, nice people and nothing too expensive. She came [3]_____ with the idea of a holiday in Turkey.

It wasn't very expensive, so I [4]_____ the flight and the hotel. The journey was terrible. When I arrived [5]_____ the airport, I found out that the plane was [6]_____ for three hours. That wasn't so bad because I love airports! They are like giant [7]_____ and I love shopping! Moreover, I was very excited about going [8]_____ so three hours was nothing. Unfortunately, the three hours changed to five and then they told us that the flight was [9]_____. We could leave the next day on a different flight, but we had to sleep at the airport. And then I lost my passport! After a worrying two hours, someone found it and gave it in to the lost property [10]_____. Then, the next day, the weather was terrible and we couldn't fly to Izmir so we landed [11]_____ Istanbul and had a very long coach ride to the hotel. I needed the two weeks holiday just to relax from the journey!
