

# What a journey!

On my last holiday, all I wanted to do was to chill <sup>1</sup> \_\_\_\_\_ and relax after a hard year at university. I went to the travel <sup>2</sup> \_\_\_\_\_ and told her that I wanted good food, lots of fun, nice people and nothing too expensive. She came <sup>3</sup> \_\_\_\_\_ with the idea of a holiday in Turkey.

It wasn't very expensive, so I <sup>4</sup> \_\_\_\_\_ the flight and the hotel. The journey was terrible. When I arrived <sup>5</sup> \_\_\_\_\_ the airport, I found out that the plane was <sup>6</sup> \_\_\_\_\_ for three hours. That wasn't so bad because I love airports! They are like giant <sup>7</sup> \_\_\_\_\_ and I love shopping! Moreover, I was very excited about going <sup>8</sup> \_\_\_\_\_ so three hours was nothing. Unfortunately, the three hours changed to five and then they told us that the flight was <sup>9</sup> \_\_\_\_\_. We could leave the next day on a different flight, but we had to sleep at the airport. And then I lost my passport! After a worrying two hours, someone found it and gave it in to the lost property <sup>10</sup> \_\_\_\_\_. Then, the next day, the weather was terrible and we couldn't fly to Izmir so we landed <sup>11</sup> \_\_\_\_\_ Istanbul and had a very long coach ride to the hotel. I needed the two weeks holiday just to relax from the journey!
