The Tree people

The Kombai are a tribe in Papua New Guinea. They have got treehouses high up off the ground. The Kombai are hunters. They have got dark skin and dark hair.

The men are short and well-built. All the men have got short, curly hair and moustaches. Many of the men have got a thorn through their nose. The chief of the tribe has got many dogs' teeth that are around his neck. He is very strong.

Kombai women have got short, dark hair. Some have got a bone through their nose. They have also got dogs' teeth around their necks.
