Grandad: I want to buy a <sup>1</sup>smartphone .

Rebecca: Do you know anything about them, Grandad?

Grandad: Yes, I do. I know they have  
<sup>2</sup> \_\_\_\_\_ , not buttons, and that  
you can download <sup>3</sup> \_\_\_\_\_ .

Rebecca: Yes, that's right. You can also choose  
different <sup>4</sup> \_\_\_\_\_ for different  
people.

Grandad: Can I get those from the Internet?

Rebecca: Yes. Now look at my phone. It has  
a very good <sup>5</sup> \_\_\_\_\_ . It lasts for  
ten hours.

Grandad: That's good. Do I need to buy  
a <sup>6</sup> \_\_\_\_\_ too?

Rebecca: No. It comes with the phone.

Grandad: Thanks, Rebecca.
