

Somebody That I Used To Know – Gotye – Intermediate

Now and then I think of when we _____ together
Like when you said you _____ so happy you could die
_____ myself that you _____ right for me
But _____ so lonely in your company
But that _____ love and it's an ache I still remember

You can get addicted to a certain kind of sadness/happiness
Like resignation to the end/start, always the end
So when/while we found that we could not make sense
Well you said that we will/would still be friends
But I'll admit that I was/were glad it was over

But you _____ have to cut me off
Make out like it never _____ and that we were nothing
And I don't even need your _____
But you treat me like a _____ and that feels so rough
No, you _____ have to stoop so low
Have your friends collect your records and then change your _____
I guess that I don't _____ that though
Now you're just _____ that I used to know (3X)

Now and then I think/imagine of all the times you screwed me over
But had me believing it was usually/always something that I'd done
But I don't wanna live/be that way
Reading/Understanding into every word you say
You said/told that you could let it go
And I wouldn't catch you hung up on someone/somebody that you used to know

But you didn't _____ to cut me off
Make out like it _____ happened and that we were nothing
And I don't even need your _____
But you _____ me like a stranger and that feels so rough
No, you _____ have to stoop so low
Have your friends collect your records and then _____ your number
I _____ that I don't need that though
Now you're just somebody that I _____ to know
_____ (I used to know)
(Somebody) _____ you're just somebody that I used to know
_____ (I used to know)
(Somebody) Now you're _____ somebody that I used to know
I _____ to know, that I used to know, I used to know (Somebody) _____
