My name is Dylan and my favorite hobby is making vlogs. I started this hobby when I was in grade 6th. On my 12th birthday, my dad gave me a camera. I love it so much and I always use it to take photos and make vlogs about people and places. I really enjoy meeting new people. I think it's great to make new friends and see their way of life. My dad is a journalist, so he often takes me to different places. He also created a Facebook account for me, so I can post my vlogs there. The account has more than 1,000 followers. I don't have a lot of free time during the week because I have so much homework to do. Therefore, I only edit vlogs on the weekends. And it often takes me one day to finish one vlog. I also like video games but I'm not really a big fan. Sometimes I make vlogs about new video games, too.
