Da Nang city lies in the Midlands of Viet Nam (miền Trung của Việt Nam), from which Ha Noi capital in the north and Ho Chi Minh city in the south are almost equally spaced. It's the fourth largest city in Vietnam.

Apart from some shopping highlights and historical sights, the main reason for most travellers staying here is its wonderful sceneries: My Khe Beach, Lang Co Beach, Hoi An and My Son. Da Nang city is also home to Ba Na Hills – a well-marketed brand of Da Nang tourism.

Da Nang is said to be 'worth-living' due to its refreshing and peaceful environment. Every evening, after work, you can easily catch the sight of families riding to the beach, leaving their motorbikes. They believe that their vehicles will still be there when they come back. There is also no beggar here and less traffic jams and pollution.
