SEARCHING FOR THE LOST CITY

The successful Canadian entertainer William Hunt lived and worked in Europe under the name The Great Farini. But he wanted a new challenge and loved the idea of exploration. So in 1885, he sailed to Africa and crossed the huge Kalahari Desert on foot. A photographer travelled with him and photographed the journey. After the journey, they described a lost city in the middle of the desert. Their story caused a lot of excitement and many other explorers studied the photographs and then tried to find the city, but without success. In the end, people stopped looking. Perhaps Farini invented the lost city – nobody knows for sure.
