

## 3

## PLURALS

Read the theory about regular plurals and then complete the exercises.

To make regular plurals, add -s to the end

Examples:

- house; houses
- car; cars
- chair; chairs
- toilet; toilets

**Task 1:** Write the plural for each word. Make sure your spelling is correct. Then, give a sentence with each word about your house.

| Singular        | Plural |
|-----------------|--------|
| bed             |        |
| window          |        |
| refrigerator    |        |
| stove           |        |
| oven            |        |
| sofa            |        |
| television      |        |
| toilet          |        |
| closet          |        |
| shower          |        |
| rug             |        |
| washing machine |        |
| basin           |        |
| curtain         |        |
