READING:

Let's read the following texts about young people and their free time activities. You are going to find some questions about them below.

Mia:

Most of my free time, I go skating in the park. I go skating from 10 am to 1 pm before going to school. I know that's a lot but I need to practice a lot to get better. My cousin is very talented at skateboarding. He is a professional skateboarder and he teaches me a few new moves when he has free time. He is very impressed with my development!

Charlotte:

My best friend and I love rock climbing during the weekends. My friend's mother drives us there because my parents work every day. It was hard at first but now I am an expert! I will never get tired of climbing!

Luna:

I am in my last secondary school year and I want to have a new car to travel around the country. I want to enjoy my free time and to be in contact with nature. I don't want to work yet nor start a career. I hope my dad likes this idea.

Emma:

My name is Emma and I am 16 years old. I like running every morning. I am in a jogging club. I am shy so I didn't have any friends at first, but now I enjoy running with my club mates and spending time with them. I need to buy a new pair of running shoes but just a simple pair. Expensive shoes are not always good.
