C D

C: Fill in the following gaps with the correct word form.

AUSTRALIA

For years, Australia has had an (0) *irregular* pattern of population distribution, with more people living in towns and cities in (25) areas, especially the east and south-east, than in the interior of the country. Since the 1940s, the population has become still more (26) distributed with a significant rise in the number of people living in these cities.

Cities are now the (27) centres of the country. An important element in their (28) has been the number of people from Europe and Asia emigrating to Australia, especially in the second half of the twentieth century. The new (29) decided to stay in the cities because (30) was easy to find there. Today, the population of Australia includes people who originally came from over 150 countries.

At one time, what made the (31) of people in Australia's cities so (32) was the country's dependence on the export of agricultural produce – indeed, the country's economy was founded on the production of wheat and wool. This has since changed, not only with increased (33) activity, but also with the rapid (34) of tourist and recreational facilities. Tourism is now Australia's largest export industry.

D: Fill in the following gaps with the correct word form.

REMEMBERING YOUR DREAMS

A team of (0) *scientists*, who have studied the subject of dreams, have come up with some interesting conclusions. First of all, everybody, without exception, has them. Secondly, dreams can be of practical value, acting as a (25) of things of (26) that we need to do in our waking lives. If you dream of the punishment you may receive for not handing in your homework (27) , for example, this may help you to do it on time. Indeed, things we are (28) about in our daily lives often feature in our dreams.

But it is hard to make sense of your dreams if you lack the (29) to remember them in the first place. One (30) is that you should keep a diary and pen by your bed, so you can write down your dreams as soon as they occur. You should concentrate on three aspects. Firstly, record the strongest emotion in your dream, whether it is fear, (31) or whatever. Then write down anything strange or (32) that happened and the names of the people who made an (33) in your dream. This way, according to the experts, you will have a (34) and meaningful dream record, which will make for fascinating reading.
