SEPARATE LIVES - BY PHILL COLLINS **key**

You called me from the room in your hotel
All full of romance for someone that you'd met
And telling me how sorry you were leaving so soon
And that you'll miss me sometimes when you're alone
Do I feel lonely too?
You have no right to ask me how I feel
You have no right to speak to me so kind
I can't go on, holding on to time
Now we're living separate lives (living separate lives)
Well, I have learned to let you go
And if you lost your love for me, you never let it show
There was no way to compromise
So now we're living separate lives (living separate lives)
Ooh, it's so difficult, love leads to isolation
So you build that wall (you build that wall)
Yes, you build that wall (build that wall)
And you make it stronger
Well, you have no right to ask me how I feel
You have no right to speak to me so kind
Some day I might (I might) find myself looking in your eyes
But for now, we'll go on living separate lives
Yes, for now, we'll go on living separate lives
