

## Unit 1 Lesson 5

1 Listen and read. Then write the words next to the definitions.

This beautiful **globe** has a light inside. It shows the countries in different colors. The globe stands on three legs and comes with a **compass** showing **north**, **south**, **east**, and **west**. It's a fantastic gift for a young explorer!

**globe** : noun A model of the world.

\_\_\_\_\_ : noun This helps you find your way.

\_\_\_\_\_ : noun The direction at the top of a compass.

\_\_\_\_\_ : noun The direction at the bottom of a compass.

\_\_\_\_\_ : noun The direction to the right on a compass.

\_\_\_\_\_ : noun The direction to the left on a compass.

2 Listen to the song. Number the verses in the correct order.

Now spin the globe,  
Spin it 'round fast.  
Look for your country.  
Did you see it go past?

Do you know your address?  
Can you write it down?  
Can you find your street  
On a map of the town?

On a map of your country,  
What can you see?  
Is your city in the west,  
In the north, or the east?

We live in different places  
All over the globe.  
But we're all people.  
We share the same world

(chorus)
