

## F WHAT ARE THEY SAYING?

¿Qué están diciendo? Completa las conversaciones con HAY SINGULAR / HAY PLURAL / NO HAY PLURAL / NO HAY SINGULAR Y ¿HAY...? PLURAL- SINGULAR

is there  
are there

there is  
there's

there isn't

there are  
there aren't

1. Is there an elevator in the building?

3. How many closets                    in the apartment?

5.                    a jacuzzi in the bathroom?

7.                    any washing machines in the building?

9. How many windows                    in the apartment?

2. Yes,                                      .

4.                    a large closet in the bedroom, and                                       two small closets in the living room.

6. No,                                      . But                                       two air conditioners in the apartment.

8. No,                                      . But                    a laundromat across the street.

10.                                       three windows in the living room, and                    one window in the bedroom.
