

Lesson 7: Weird, fast and british (Script)

Hello ever gonna tell ya Adele you have come back into my glass boobs they're my glass case promotion
back into the studio in a minute if you want to have a look online we're on the
camera keeps a camera away BBC Dakota UK forwar d slash Radio 1 you can watch our chat
being live stream right now and then when Adele has the airwaves for half an
hour to myself you will see the whole thing life there let it's your turns do your thing wait for the cover
it's time to write in Sanjoy hopefully yeah I hope you'll be alright in a minute now the last person we had in the studio in the
Live Lounge was PDT oh wow lovely P Diddy and did he dirty money I've read something somewhere no you might have slightly
tried to Kenneth even and so I didn't mean to I just I just meant to slow down and be like hey you're right I have you and
I just put my accelerator down it's almost ran over him it was alright and my drummer was with him last week um when he
was in town when P Diddy was in town and I don't think he was even he's not scarred by it it's fine but wait there rewind
we playing golf with P Diddy right he was doing some something that he does entrepreneurial I know I was doing my video
bit was taking a it's on my name ones but there's loads of different studios so because I was bored they gave me a golf buggy so
shape is buggy not government yeah my god driving it myself it was another which I was seeing it so last time we saw
you was a little while ago now who have you bother sort of showbiz people have you been hanging out with since
then any megastars that you've bumped into not really you met any heroes recently well I think since I was on rides your mind
I didn't got to meet Beyonce a couple of times which the first time I really held it together outside thanks for having me to
show be you know very rare I think it's in our dressing room and I was only a little curtain separating us watch them their
makeup done and I'll start you would have heard it all and then she popped out so I put on a brave face with the
second time I went out on a balcony Amanda knees and cried
bowing at the altar since always like knowing I mean it's incredible.
