MY FUNNY MEMORY

Until I was fifteen, I didn't have many stories to talk about. But now I can remember **(1)**___ funny memories. This is a story about a weekend I will never forget. It took place three or four years ago during my summer holiday in England. I **(2)**_____at my cousin's house when all this happened. My cousin and I both love cycling, so we decided to go on **(3)**_____ trip. We packed up our stuff, got on our bikes, and cycled about fifty miles. We finally reached our campsite, **(4)**_____was very near the famous theme park, Alton Towers. Just **(5)** _____we set off, it started raining and, predictably for England, it didn't stop all day. We arrived at the campsite like a pair of drowned rats. Fortunately, we managed to put the tent up quickly and began to wait for the long process of drying out. Or so we thought.

When we woke up the next morning, we discovered that all our things including our clothes **(6)** _____wet because of the leaking tent. All this had happened unexpectedly during the night. In the morning, there was nothing we **(7)**_____do, so we pulled on wet jumpers, jeans, and shoes and headed for the theme park. Funnily enough, it turned out that **(8)**_____way to get dry was to ride a rollercoaster with fourteen loops at fifty miles per hour. I should tell you that it was the most exciting way to dry-clean, as well. Luckily, we didn't get ill or anything like that. Without a doubt, that weekend **(9)**_____one of the wettest and funniest weekends I have ever had.
