READING

Group holidays for 18–25-year-olds

If you are 18–25 years of age, would you like to go on holiday with other people of your own age? We offer all kinds of holidays, from **active** adventure holidays to **relaxing** beach holidays.

We started our business more than twenty years ago and we believe we know what young people want to do on holiday. We offer trips to South America, North America, Central America, Europe, Asia and the Middle East.

Our groups are always twenty people or fewer, so you can quickly get to know everyone in your group. People from all over the world take our tours, and our guides have a lot of local **knowledge** so you can learn so much about the culture of the places you visit. Travelling in a group is also safer than travelling with a friend or on your own. You are not always with our guides though because we give you a lot of free time to explore the places **on your own**.

Our tours **last** from seven to fourteen days depending on the trip. For example, our tour of Cuba lasts seven days and our tour of Laos, Cambodia, Vietnam and Thailand takes fourteen days.

If you come on one of our tours, we guarantee you won't get bored!

5 Read the article. Choose the correct option to complete the sentences.

- 1 The main idea of the text is to _____.
 - a explain what young people like to do on holiday
 - b persuade young people to go on a group tour
 - c describe different cultures around the world
- 2 The company provides tours for _____.
