Set 1 - Places

No.	Type	Phrases
1	Dark places	- We stepped into a tiny, dimly lit living room. - The room was so dark, I couldn't see my two friends sitting right across from me! - I uttered a cry of surprise, blinking in the sudden darkness.
2	Hot	A fire blazed in a small brick fireplace against one wall. The room felt like a blast furnace. It had to be five hundred degrees in there!
3	Empty street	I searched desperately up and down the street.No one in sight. Nothing moved. No cars. No people. Not even a dog or a cat.
4	Wet street / After rain	The front lawns shimmered from the clinging rainwater. I jumped over wide puddles on the sidewalk. I wore a heavy gray sweatsuit. But the air felt damp and cold, and I wished I had put on a jacket over it.
5	Warm sunny day	It was a warm, sunny day. The green lawns along the street all glowed in the sunlight. The air smelled fresh and sweet.

1	Eerie places	- A sudden sound made me jump. My eyes moved up to the ceiling. Gusts of wind were rattling the basement windows. - Our sneakers thudded on the wooden steps. The air grew colder as we made our way down. - We both glanced around the main room. A ceiling light had gone out. Half the room was hidden in deep shadows. I heard the DRIP DRIP DRIP of a faucet, coming from the laundry room at the far wall. - Her voice echoed off the dark walls. Outside, the wind howled, rattling the windows. - Streetlights cast a warm yellow glow over the neighborhood
2	Hospital	And when I opened my eyes, I stared up at a white ceiling. A white ceiling light. White curtains over a half-open window, revealing gray clouds. The entire place reeked of disinfectant - I stared up at the blue ceiling light until it came into focus. The hospital. I was lying on a soft bed in the hospital.

Set 3 - Places

No	word/phrase	meaning
1	Empty home	- The house was empty, except for Tyler, my dog. He's part cocker spaniel, part we-don't-know-what. Tyler was happy to see me. He licked my face. Mom was out shopping or something. I guess she forgot that I'd be home early. Apart from Tyler's happy barks, the house was stiflingly silent.
2	School building	Our school came into view. It's a long, one-story building that stretches in a straight line for nearly a whole block. The walls of the school are painted bright yellow. As yellow as an egg yolk.
3	Doctor's office	Dr. Bailey's waiting room was all blue and green. A huge fish tank against one wall bubbled quietly. The blue and green chairs, blue and green carpet, and blue and green walls made me feel as if I were in a fish tank too!
4	Eerie night	Their shrill wails bounced off the bare trees, cutting through the heavy night silence. Our screams rose up shrilly, cutting through the night air like wailing sirens.
