

## Megan Trainor – Just a Friend to You

Oh, oh, oh  
Oh-oh-oh-oh

Why you gotta \_\_\_\_\_ me like that every time you see me?  
Why you always making me laugh  
Swear you're catching feelings  
I \_\_\_\_\_ you from the start

So it breaks my heart  
When you say I'm just a \_\_\_\_\_ to you

Cause friends don't do the things we do  
Everybody knows you \_\_\_\_\_ me too  
Trying be careful with the words I use  
I say it cause I'm dying to  
I'm so much more than just a \_\_\_\_\_ to you  
Mmm, mmm, mmm

When there's other people around  
You \_\_\_\_\_ wanna kiss me  
You tell me it's too late to hang out  
And you say you miss me  
And I loved you from the start

So it breaks my \_\_\_\_\_  
When you say I'm just a friend to you

Cause friends don't do the things we do  
Everybody knows you love me too  
Tryna be careful with the words I use  
I say it cause I'm dying to  
I'm so much more than just a \_\_\_\_\_ to you  
You-oh-oh-oh-oh  
You-oh-oh-oh-oh

You-oh-oh-oh-oh  
You-oh-oh-oh-oh  
You say I'm just a friend to you  
Friends don't do the things we do  
Everybody knows you love me too  
I tried to be \_\_\_\_\_ with the words I use  
I say it cause I'm dying to  
I'm so much more than just a friend to \_\_\_\_\_  
A friend to you  
A friend to you  
A friend to you
