A biopic is a film that tells the \_\_\_\_\_ of a person's life. The word is short for "biographical picture". Biopics can be \_\_\_\_\_ or dramas, but they can have some fictional elements as long as it is within the \_\_\_\_\_ fact. Biopics tell stories about people who have had significant impacts on \_\_\_\_\_ and culture. Biopics are concentrated on a single \_\_\_\_\_, that's why so many these films have the protagonist's name: Ali, Gandhi or Selena. Some biopics may delete some \_\_\_\_\_, tell only surface-level facts in order to create a more \_\_\_\_\_ film. Therefore biopic can be nearly entirely \_\_\_\_\_ showing only some accuracy.
