Task 2.

- A** Look at the picture and read the story. Write some words to complete the sentences about the story. You can use 1, 2, 3 or 4 words.

Last December, it didn't stop snowing. One day, Oliver and his friends went sledging on a high hill. When Oliver's sledge hit some stones, he fell and hurt his elbow and broke his leg! His friends were very worried and quickly rang Oliver's parents. His father came to help and an ambulance took Oliver to hospital.

Oliver had to stay in hospital for a few days. The nurses were friendly and kind so, at first, Oliver didn't mind. He didn't have to go to school or do any homework like his classmates. He just lay in bed in his pyjamas, and listened to pop music, played chess on his phone and watched his favourite football team scoring lots of goals on TV. But after two days, Oliver began to feel quite bored and a little unhappy.

But, on the third morning, Peter Windows, one of the players in the football team arrived! He brought Oliver a present – a pair of really cool football boots! Oliver's best friend came, too. 'You can borrow my laptop while you're here,' he said.

That afternoon, Oliver had another surprise. His teacher appeared! He brought something for Oliver as well but it was some maths homework! 'I'm sorry about your poor leg, Oliver,' he said, 'but make sure you do this before you come back to school in January!'
