

Read Freya's blog and answer the questions.

Today's my birthday. I'm twelve years old. My presents are:

- a mobile phone (Mum and Dad) AND a bag! Wow!
- a T-shirt (my brother, Ben)
- a diary (my sister, Sadie)

Today is my party. My cake is an ice cream cake with strawberries and oranges. Yum! My favourite cake!

These are my friends at my birthday party:
♥ Jodie ♥ Michael ♥ Harry ♥ Olivia

Bye!
Freya
