

Safe and Sound

I remember tears streaming down your
When I said: " I'll never let go".
When all those shadows killed your light.
I remember you said: "Don't leave me here alone".
But that's dead and gone and past tonight.

Just closes your....., the sun is going down.
You'll be alright, no one can you now.
Come light, you and I'll be safe and sound.(3)

Don't you dare look out the window,
Darling everything's on
The war outside our door keeps raging on
Holeto this lullaby.
Even when the gone.
