

Hey, guys! I need some help with a school project.
How ¹ is Mount Everest?

Dan

Hi, Dan. Mount Everest is 8,850 ² high.

Jess

Thanks, Jess. That's ³! How old is it?

Dan

Sorry, Dan. I don't know ⁴ it is. But it's very, very old! Now I've got a question. What goes at fifty kilometres per ⁵?

Jess

I don't know.

Dan

My brother when it's homework time!
