

UNIT 7 REVIEW AND MEMORY BOOSTER

Grammar

- Look at the picture below. Complete the sentences with the name of a planet in the picture.
- Mercury is the closest planet to the Sun.
- Saturn is a big planet, but _____ is the biggest.
- Venus is a hot planet, but _____ is the hottest.
- The journey from Earth to _____ is longer than Earth to Uranus.
- _____ is the best planet for humans.
- Mars is smaller than Earth, but _____ is the smallest planet.

- Read the information. Then write two comparative sentences using the adjectives.
- The summer temperature in Qatar is 40°C. It's 20°C in Berlin. (hot / cold)
Qatar is hotter than Berlin. Berlin is colder than Qatar.
- A Porsche can travel at 300 km/h. A Mini can travel at 225 km/h. (fast / slow)
- The Burj Khalifa cost \$1.5 billion to build. Taipei 101 cost about \$2 billion. (cheap / expensive)
- The Nile River is 6,650 km long. The Amazon River is 6,712 km long. (long / short)
- Now read these sentences and compare them with the information in Exercise 3. Then complete them with suitable superlative adjectives.
- The summer temperature in London is 18°C. London is the coldest city.
- A Bugatti Veyron can travel at 430 km/h. It's _____ car.
- This castle costs \$10 million. It's _____.
- The Mississippi River is 3,733 km. It's _____ river.

Vocabulary

- >> MB** Work in pairs and say the opposite of these adjectives.

cheap	clean	cold	easy
fast	long	safe	tiny

- Complete these sentences with words related to travel.
- I often go _____ bus to work.
- I don't like to _____ by boat because I get seasick.
