

Money Safety

Personal information includes

Your name

Your pet's name

Your social security number

Your money is safe

In a piggy bank

At a credit union

In a bank

People from the bank

May call for personal information

Already have your information

Eat pasta for dinner

When you are on Twitter

It's ok to give your address

You can message friends

Everyone is your friend

If someone tries to sell you something you don't want or do not have money for

You can ask someone you trust

You should do what they say

You can say no and leave

I can keep my money in

A ziploc
A wallet
My purse

If someone asks me for money

I can say no
I should check if I have enough money
I should give them money

If I give someone money they

Might ask for more
Might not give it back
Will be my friend

Before I give someone money I should

Check with someone I trust
Check that I have enough money for my needs
Ask them why they want money

I should always give my money to

My family
Someone I meet
A friend
