Why group conversations can be difficult

- 1 Everyone is _____ about something you know _____ about.
- 2 There are more _____, more _____, and more people talking at the _____ time.
- 3 Everyone in the group is _____ in their own way.
- 4 It feels like there are more people _____ us.

▶ 6.2 Watch again. Circle true (T) or false (F).

- 1 If you spoke excellent English, you'd have no problems understanding group conversations. T F
- 2 It's easier to control the direction of a group conversation than a one-to-one conversation. T F
- 3 If you're unfamiliar with a topic, you should ask questions and help others notice that you don't understand what they're saying. T F
- 4 It can be easier to hide and say nothing in a group conversation than compete for the chance to speak. T F
- 5 The different communication styles and different relationships people have with each other can make group conversations hard to understand. T F
