Hello Charlie!

16 April

Well, here I am in Thailand and I'm having a great time. Bangkok is a very interesting city. There are lots of things to see and do here.

Yesterday I went to the Bangkok Water Festival. All the people in the city threw water at each other and I got really wet. Luckily, it was a hot day, so it was great.

Today we're going out for dinner at a Thai restaurant. I love Thai food, it's delicious!

Tomorrow we're going to visit the Khao Yai National Park. And guess what! We're also going to ride on elephants! I can't wait! OK, that's all for now.

See you soon,  
Belinda
