

Oh, imagine a land, it's a faraway place
Where the caravan camels
Where you wander among every culture and tongue
It's chaotic, but hey, it's home

When the wind's from the east
And the Sun's from the west
And the sand in the is right
Come on down, stop on by
Hop a and fly
To another Arabian night

As you wind through the streets at the fabled bazaars
With the cardamom-cluttered stalls
You can smell every spice
While you the price
Of the silks and the satin

Oh, the music that plays as you move through a maze
In the haze of your pure
You are caught in a dance, you are lost in the trance
Of another Arabian night

Arabian nights
Like Arabian days
More often than not are than hot
In a lot of good ways
Arabian nights
Like Arabian dreams
This mystical land of magic and sand
Is more than it seems

There's a road that may lead you to good or to greed
Through the power your wishing commands
Let the darkness unfold or find fortunes untold
Well, your lies in your hands

Only one may enter here
One whose worth lies far within
A diamond in the rough

Arabian nights
Like Arabian days
They seem to excite, take off and take flight
To shock and
Arabian nights
'Neath Arabian moons
A fool off his guard could fall and fall hard
Out there on the dunes
