LIVEWORKSHEETS

In America school does not usually start on the 1st of September. There is a holiday, Labor Day, at the beginning of September. Many schools start after Labor Day. School year is over in June.

All schools have names, and not numbers. You can find Forest Park School, Francis Scott Keys School, Pine Tree High School and others.

In elementary school children usually have four or five lessons a day. Classes usually end at 3 p. m. There are a lot of clubs and sports at school after 3:15pm. They are Chess Club, Dance Club, Art Club, Theatre Club and others.

Schoolchildren also can go to After School Care and stay there until 5 p.m. They can do their homework there.

There is a school canteen or a cafeteria but a lot of students have their packed lunch.

American students have got marks. They are A, B, C, D and F. A is the best. F; is a fail. Teachers send letters with the students' marks their parents every month.

Most private schools in America have uniforms. They are different for each school. Most public schools do not have uniforms.

Each American school has its own website. You can visit their websites too.
