

### Listening Practice

**A) You will hear a boy called Steve and a girl called Becky, talking about their evening at the University Supper Club. Read sentences 1-6 and decide if they are True or False.**

1. Becky was excited about trying the new supper club. \_\_\_\_
2. Steve was confident that the others would like his cooking. \_\_\_\_
3. They were both annoyed by the other girl in the group. \_\_\_\_
4. Becky was surprised by the entertainment. \_\_\_\_
5. Steve disliked the other boy at the dinner. \_\_\_\_
6. They both agree the next meal will be better. \_\_\_\_

**B) Listen to a student called Jessica talking about how a cruise ship uses water. For each question, choose the correct answer A-C.**

1. Jessica chose to talk about the Ocean Star because it
  - A has so many people on board.
  - B is very responsible environmentally.
  - C uses so little water every day.
2. What does Jessica say uses the most water on cruise ships?
  - A baths and showers.
  - B drinks.
  - C cooling food.
3. The showers worked efficiently because
  - A the shower heads had more holes.
  - B the water came out so fast.
  - C there was a time limit on them.
4. The best thing about the swimming pool water was
  - A that it was easy to keep clean.
  - B that it was mostly sea water.
  - C that it didn't need dangerous products.
5. The water from the air conditioning was used for
  - A watering plants.
  - B washing towels.
  - C cleaning the rooms.
6. Data collected by Ocean Star is sent to
  - A universities.
  - B environmental groups.
  - C local governments.

C) Listen to the recording. For each question there are three pictures and a short recording.  
Choose the correct picture.

1. What part of the man's body hurts?

2. Who is in the photograph?

3. Which homework will the man do tonight?

4. Which sport is free to try today?

5. When can the public start using the new IT Centre?

6. What do the women eat for lunch?

7. What does the boy want to send back?
