Lana Del Rey - Young and Beautiful

I've seen the world, done it all, had my cake
Diamonds, brilliant, and Bel Air now
Hot nights, mid-July
When you and I were forever
The crazy , city lights
The way you'd play with me like a

Will you still love me when I'm no longer and ?
Will you still love me when I got but my aching ?
I know you will, I know you will, I know that you
Will you still love me when I'm no longer beautiful?

I've seen the , lit it up as my now
Channeling angels in the now
Hot summer days, rock and roll
The way you'd play for me at your show
And all the ways I
Your face and soul

Will you love me when I'm no longer young and beautiful?
Will you still love me when I got nothing but my aching soul?
I know you will, I know you will, I know that you will
Will you still love me when I'm no longer beautiful?

Dear Lord, when I get to
Please let me bring my man
When he comes, that you'll let him in
Father, tell me if you can
All that grace, all that
All that face makes me wanna
He's my sun, he makes me shine like

Will you still love me when I'm no longer young and beautiful?
Will you still love me when I got nothing but my soul?
I know you will, I know you will, I know that you will

Will you still love me when I'm no longer beautiful?
Will you still love me when I'm no longer beautiful?
Will you still love me when I'm not young and beautiful?
