

Useful Apps

Write a short paragraph (70-100 words) about your favourite app. Use the present simple and the correct spelling and punctuation. You have to tell us about:

- your name, age, grade, and school;
- the name of your favourite application;
- what this app is generally used for;
- when you installed it on your smartphone;
- how much time you spend using this app;
- (at least) two advantages of using it;
- (at least) one disadvantage of using it; and
- an exciting feature that you wish to have in this app.

Hi ¹ _____! My name is Nizar A. Aziz and I am 20 years ² _____. I am an English ³ _____ teacher in Gudaibiya Primary and Intermediate Boys School and today I ⁴ _____ you about my favourite smartphone app. ⁵ _____ summer, I fixed 8 CCTV cameras ⁶ _____ my house, and I installed Housafe ⁷ _____ my smartphone to have real time video surveillance. I use this ⁸ _____ daily for at ⁹ _____ half an hour to make sure my family is ¹⁰ _____. I think this app is ¹¹ _____ because the playback feature allows ¹² _____ to search for events that happened recently. ¹³ _____, there is the option of recording videos only when someone or something ¹⁴ _____ around in order to save storage space. In addition, the camera can still show details ¹⁵ _____ night thanks to the night vision feature. ¹⁶ _____, this cool application allows me to move the camera lens to different ¹⁷ _____ and to zoom in and out ¹⁸ _____ specific details. However, this app uses ¹⁹ _____ internet data and much phone memory, and it often requires updates, which I don't like ²⁰ _____ all. Anyway, Housafe is one of the ²¹ _____ apps in the world and I think it can be even ²² _____ if it sends us alerts when unfamiliar people break ²³ _____ our houses and immediately calls the police ²⁴ _____ we might be deep asleep ²⁵ _____!
