

## You've Got a Friend / Carol King

When you're down and **troubled**  
And you need some **loving care**  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To **brighten up** even your darkest night

You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend

If the sky above you  
Grows dark and full of clouds  
And that old north wind begins **to blow**  
Keep your head together  
And call my name **out loud**  
Soon you'll hear me knocking at your door

You just call out my name  
And you know wherever I am  
I'll come running to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there

Ain't it good to know that you've got a friend  
When people can be so cold  
They'll hurt you, yes, and **desert** you  
And take your soul if you **let** them  
Oh, but don't you let them
