

Black & White Town (The Doves)

Fill in the blanks with the missing words:

Here comes the

Here it comes at last

Lord give me a

Lord give me a chance

You should follow me down

In satellite towns

There's no colour and no sound

I've been ten feet

Got to of this satellite town

Here comes some action

First time in my life

I gotta get up to get

I gotta get up to get this

Whether you live

Or you're trying to find in this world

You'd better make sure

that you don't crack your head on that, man

My God! what a shock!

It's been preying on me and

This is a place man

This is a dangerous place, there's nothing here

You should follow your way down

In satellite towns

There's no colour and no sound

I've been ten feet underground

In a black and white town

You should follow me down
