

Find Someone Who.....

Ask questions to find a classmate who has done the things below. Ex: A: have you recently *found out* something surprising?

	Name	Sentence
1	recently <i>turned down</i> someone or an offer.
2	 can easily remember his/her password to <i>sign in</i> to their accounts.
3	 <i>backs up</i> the current government.
4	 Has had his/her car <i>break down</i> .
5	has <i>run out of</i> something and needs to go grocery shopping.
6	can easily <i>work out</i> complicated processes or things (ex: putting together a new desk or a puzzle).
7	has recently <i>hung up</i> on a called caller (such as those offering to buy things).
8	has <i>set up</i> a work or family meeting.
9		...usually loses things and after <i>going through</i> the whole place, they can't find them.
10	can remember the last thing they <i>noted down</i> .
11	has recently <i>turned up</i> late to a date, meeting or commitment.
12	usually keeps a <i>back up</i> storage for files in case their computer breaks down.
13		... recently <i>ran into</i> someone they know in an unexpected place.
